

January 26, 2018

Dear Member,

We are following up with our membership of the now combined MidValley Federal Credit Union and American United Federal Credit Union. The transition of combining the two institutions has gone well and we hope you, our members, have not experienced disruptions to your accounts.

As of February 1, 2018, we will have all member systems combined and with that combining of systems, we are ready to provide you with instructions regarding your Online Banking. You will have access to use your new American United Online Banking beginning February 1, 2018.

With American United Online Banking, you'll experience a new, modern experience that's faster and easier to use. The following are just a few of the exciting new improvements:

1. Enjoy a consistent look and feel across all your devices
2. Easily find your most commonly used transactions, all on your new home page
3. Simplify your life with faster, easier bill pay functionality
4. Quickly find your most important data with improved search
5. Find a convenient branch or ATM wherever you are with interactive maps

We're thrilled to deliver the latest and greatest to our new account holders. Try it out and contact us to let us know if you love it as much as we do! Visit www.amucu.org/onlinebanking for a demo video and instructions.

If you are currently an active MidValley Online Banking user, you will still have access to your online banking account through February 1, 2018. You can begin using American United Online Banking beginning February 1, 2018. Please follow the instructions on the reverse side to log in to American United Online Banking for the first time.

Sincerely,
