Plus, the identity fraud recovery service extends to cover up to **3 generations of your family members!**

Lost Document/Card Replacement

If you have an important document that has been lost, stolen or destroyed as a result of an identity theft incident or information compromise, we can help! Just let us know and we will refer you to a professional Recovery Advocate who will work with you to replace your missing documents, including credit cards. Your Recovery Advocate will work with you to contact creditors, cancel the compromised information, and obtain replacement documents.

Identity Theft Expense Reimbursement Insurance

Expense Reimbursement Insurance is available to cover out of pocket expenses incurred during the identity recovery. Examples of covered expenses include attorneys' fees, costs of additional credit reports, long distance telephone calls, postage and handling fees, fees for notarizing affidavits, and document and filing fees for grants or credit applications rejected as a result of a stolen identity event. Lost wages due to time off from work are also covered.

Credit Monitoring

Purchasing a package provides you with credit monitoring with up to daily alerts of any changes to your credit file which may signal identity theft. Credit Monitoring is applicable to individuals age 18 and older who have a valid credit file.
